English Prayer (Daily)

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream – I have a dream
I have a dream, a fantasy
To help me through reality
And my destination makes it worth the while
Pushing through the darkness still another mile
I believe in angels
When I know the time is right for me
I'll cross the stream – I have a dream
I'll cross the stream – I have a dream
I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels
When I know the time is right for me
I'll cross the stream – I have a dream
I'll cross the stream – I have a dream
